

We are looking for caring individuals to be part of our team to improve the lives of people with disabilities in our growing Adult Foster Care Program.

Adult Foster Care Providers

PRIDE is looking for individuals who have experience working with people who have disabilities, and/or mental health issues and require guidance and supervision with personal care.

If you have an extra bedroom available in your home, this is a great opportunity to increase your income and provide a family environment to someone in need. You will receive a monthly tax-free stipend and room and board fees.

Caregivers need to have a physical examination and TB test within the past 12 months, and pass a CORI check.

If you are interested in a rewarding opportunity to make a positive change in someone's life, please call:

508-823-7134 x 214
